

AUSTRALIA SPORTS INSTITUTE & FITNESS ACADEMY

The Australia Sports Institute (ASI) aims to ensure that all exercise professionals possess the knowledge, skills, and qualifications necessary to promote the health benefits of regular exercise and to safeguard the rights of the individuals who benefit from their services.

In this context, the individual named below has successfully met the international criteria and standards established by ASI-accredited institutions and has been officially admitted to the European Register.

As a registered member, the holder of this certificate is required to comply with the Code of Ethical Practice, which defines the duties, rights, and responsibilities of an exercise professional. In addition, they must demonstrate a commitment to lifelong learning and actively engage in continuous professional development activities to maintain and enhance their professional competence.

**Education program for the courses named "Pregnant Pilates",
which was co-ordinated by the Australia Sports Institute and Fitness School
was successfully completed and certified.**
